Note In passing orders on the D.F.Y Budget for 1902-1903, a lump sum provision of RS 3636 was allowed to stand under "B. Public Works II Repairs" pending the receipt of a detailed list of works for which the provision was intended.

slip. D.

2. In para 2 of his letter no 358X dated 15 th October 1902, the President requested sanction to the sum of RS 3636 being placed at his disposal for appropriation on works. But before sanction could be accorded to the President's proposal, he was asked to submit the list of works called for in para 5 of Pro etc 15589.95/L-7-1-02 of 19 March 1902. Accordingly he submits a list of works costing RS 2,060 only and states that estimates for works are received as occasions present themselves, and that they are placed before the Board and sanctioned, if approved of, and, that, to meet the cost of such works, the provision in the budget was requested to be placed at his disposal.

(space copy put up)

The procedure adopted is not correct. ~~appears to be against the Budget principles.~~ A draft is therefore submitted sanctioning the appropriation of ~~Rs~~ Rs 2060 and making observations as regards the irregular practice pointed out above.
